

HEALTHY TEXAS WOMEN NEEDS NEW PROVIDERS

POSTPARTUM SERVICES NOW INCLUDED

Healthy Texas Women (HTW) offers women's health and family planning services at no cost to low-income women without health insurance in Texas. Eligible women are automatically tested for eligibility for HTW when their Medicaid for Pregnant Women coverage ends.

The Texas Health and Human Services Commission has introduced a new postpartum services package for HTW clients called HTW Plus. Benefits available through HTW Plus focus on treating health conditions that contribute to maternal morbidity and mortality, including postpartum depression, cardiovascular conditions, and substance use disorders.

COVERED SERVICES

- Individual, family and group psychotherapy services
- Peer specialist services
- Imaging studies, blood pressure monitoring, and anticoagulant, antiplatelet and antihypertensive medications
- Screening, Brief Intervention, and Referral to Treatment (SBIRT)
- Outpatient substance use counseling and medication-assisted treatment (MAT)
- Smoking cessation services

TYPES OF PROVIDERS NEEDED

- Chemical dependency and opioid treatment facilities
- Licensed professional counselors and licensed clinical social workers
- Psychiatrists, Psychologists and Psychology groups
- Cardiologists

HOW DO I BECOME A HTW PROVIDER?

You must be enrolled with Texas Medicaid and complete the HTW certification available through the Texas Medicaid & Healthcare Partnership (TMHP). Visit tmhp.com/programs/htw for more information.
