

BREAST & CERVICAL CANCER SERVICES

About the Breast and Cervical Cancer Services Program

The Breast and Cervical Cancer Services program provides quality, no-cost, accessible breast and cervical cancer screening and diagnostic services to women. Regular screening is the best way to detect breast and cervical cancer in its earliest stages.

Who is Eligible?

You may qualify for free breast or cervical cancer screening and diagnostic services if you:

- Live in Texas
- Are 18 or older
- Don't have health insurance
- Make less than the monthly family income limits listed in the chart to the right

Family Size	Monthly Family Income Limit (200% Federal Poverty Level)
1	\$2,024
2	\$2,744
3	\$3,464
4	\$4,184
5	\$4,904
6	\$5,624
7	\$6,344

Where Can I Get Breast and Cervical Cancer Services?

To find doctors and clinics that provide covered services, you can:

VISIT

www.HealthyTexasWomen.org

ENTER your zip code in the search box to locate a clinic near you

CALL toll-free 2-1-1 or 512-776-7796 for help

What Services are Available?

The program offers the following services:

- Clinical breast examination
- Mammogram
- Pelvic examination and Pap test
- Diagnostic services
- Cervical dysplasia services
- Help with Medicaid for Breast and Cervical Cancer applications

How Do I Apply?

After you find a nearby doctor or clinic, call to make an appointment. You will complete an application onsite during your appointment.

If you have been diagnosed with breast or cervical cancer and don't have health insurance that will pay for your treatment, you might be able to receive full Medicaid benefits from Medicaid for Breast and Cervical Cancer.

Contact a Breast and Cervical Cancer Services clinic to see if you qualify for the MBCC program.

Call 2-1-1 or visit www.HealthyTexasWomen.org for clinics near you.
